FEBRUARY 2016

Good day,

We support a vision of a Canada without prejudice and discrimination – a country that celebrates diversity, difference and inclusion. The CCDI is proud to share with you our latest initiatives, events, and resources dedicated to driving the diversity conversation here in Canada.

Here is what the CCDI has been up to, and what we have in store:

Awards of Success:

Nominations & Call for designers

CCDI's **Awards of Success** have been designed to recognize individuals who have made a significant contribution to diversity and inclusion – whether internally to their organization or externally to the community at large.

Awards will include:

- Senior Executive of the Year
- Diversity and Inclusion Practitioner of the Year
- HSBC Community Contributor of the year.

The Awards of Success will be announced on Thursday April 14, 2016, at **BLOOM!** – CCDI's annual spring gala. The event will be held at the Royal York Hotel in downtown Toronto.

We are also seeking an up-and-coming Canadian artist or designer to design the awards to be presented to our recipients.

Community of Practice

Our morning events that mix presentation with roundtable discussion workshops for peer learning.

The first series, **Identifying and developing diversity champions**, will launch this month. Employee engagement on diversity and equity initiatives is essential for diversity strategies that create change in workplace culture – and diversity champions are valuable influencers who can shift mindsets and make these initiatives effective.
